

HAMILTON WEST 2011-12 BOYS BASKETBALL OUTLOOK

Head coach: Jason Malloy, 1st season

Assistants: Brian Sbarro, Matt Mayo

Last season: 14-12

Roster: Bret Stroman (Sr. G), Jordan Williams (Sr. F), Tyleer Wrenn (Fr. G), John Lansing (Jr. G), Willie Leach (Sr. F), Anthony Anglin (Sr. G), Joshua Giddens (Sr. G), Dan Garcia (So. G), Rahmeir Reeves (Sr. G), Lenwood Squire (Sr. F), Brandon George (So. G/F), Mike Powell (Sr. F).

Malloy says: We may have eight seniors on the roster but we're not very experienced at the varsity level.

Bret Stroman, entering his fourth year as a starter and our returning leading scorer (between seven and eight points last season) will be the leader and heart of our team. John Lansing, Lenwood Squire, and Willie Leach received some decent varsity experience last year and will be looked upon to play a big role both offensively and defensively.

Not a whole lot is going to change just because Chris ("The Baron" Raba) isn't here anymore. We will play hard and focus on defending well. We've added a few wrinkles to some of our offensive and defensive sets in the past. We're a little guard heavy but the bigs that we have on our squad have been playing well and we will be able to compete night in and night out.
