NOTTINGHAM 2011 FIELD HOCKEY PREVIEW

Head coach: Jen Cicale, 1st season

Assistants: Dana Davies, Jean Ruppert

Last year: 3-12-2

Cicale says: I think we're on a rise. We have nice core group of seniors, 10 girls with varsity experience and a total of 20 girls. I'm looking at between 13 and 16 girls that I can move back and forth to different spots. The girls are very dedicated and encouraging of each other. I spoke with our senior girls and I'm interested in them succeeding in their final year.

I have no idea what their record was, what position they played last year. I'm just interested in seeing

what they can do and go from there.
