

## STEINERT 2011 BOYS SOCCER PREVIEW

**Head coach:** Todd Jacobs, 9<sup>th</sup> season

**Assistants:** Eric "The Voice of the Spartans" Hastings; Frank Ferrara; Jim "Jules" Giglio

**Last season:** 11-4-3, Colonial Division champs; reached CJ III quarterfinals

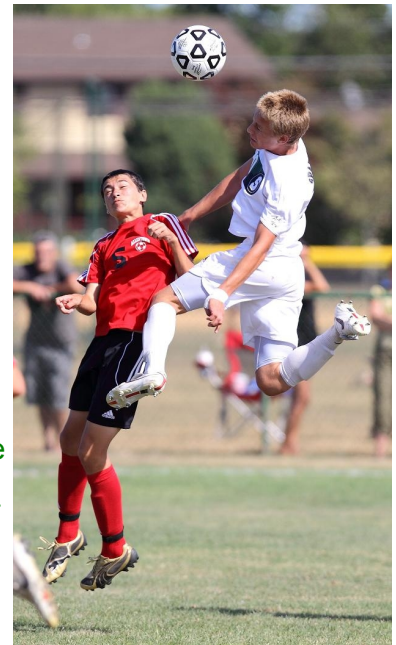

**Jacobs says:** We're coming along. . . Guys are working hard, they're doing what needs to be done. The kids' work ethic and getting out there and getting on the field and getting some touches on the ball is looking pretty good.

We have a mix, some younger guys, some veteran guys. You always hope your veterans will lead the way all over the field. Goals will come with some of the talent we have up and down the roster. We've got some younger guys who might see some time up top but we're still figuring all that out. I'm confident goals will come this year. When you have some of the talent we'll be putting out there you have to think that way. The potential is definitely there for a strong run in the states. Anything less is gonna be a disappointing season.
